Dear Parent/Guardian,

In front of you lies the report card showing the results and achievements of your student at BWYA.

Please review the results together with your student. The attached should help you understand the results. Please take some time to reflect on his/her approach to learning and see how he or she has improved or may need to improve.

Please note that a decision needs to be made in February. Your student needs to have progressed to a significant higher level in English to have a chance of success in the MYP class of his age group. To graduate from EAL, your students needs to:

- A minimum level of 6 in each of the criteria of English, and
- The teachers English will give a positive recommendation, and
- Subject teachers are generally giving a positive recommendation for your student with concerning the attitude in class, class work and class participation as well as academic improvements, and
- Generally high levels from all teachers for Use of English.

On Tuesday, November 24, we will hold the middle school Parent-Teacher conference evening from 17:00 to 19:00. Please use the form attached -also available on our website- to book a 10 minute-time with any teacher you would like to speak to. It is good practice to bring your student to the meetings as well. Note that a translator will not be available for every single teacher.

On that evening, the school principal will give a short explanation of the above criteria and the path forward for your students. This will start at 19:00 in room B506.

For further questions and queries about the report card, please do not hesitate to contact the subject teacher or homeroom teacher. The email addresses are always available online and you may contact teachers directly at any time.

Yours sincerely,

Aubrey Curran
